

COURSES TAUGHT AT AHS THAT MEET THE CORE 40 WITH ACADEMIC HONORS DIPLOMA ADVANCED PLACEMENT / DUAL CREDIT REQUIREMENTS:

Advanced Placement (AP) Courses

- AP Calculus
- AP English Literature and Composition
- AP English Language and Composition
- AP Biology
- AP Chemistry
- AP Environmental Science
- AP Physics

Students who take Advanced Placement courses to meet this requirement **MUST** also take the AP exams for those courses. These tests are offered in May.

Dual Credit (DC) Courses

Course College Requirements Cost

Pre-Calculus (4 cr hrs) Calculus (4 cr hrs) U S Government (3 cr hrs)	Trine Univ	GPA of 6.4 or higher	\$20/cr hr
Finite Math (3 cr hrs)	Ivy Tech	PSAT Math = 52, or SAT Math = 520, or ACT Math = 24	Free
French I French II Spanish I Spanish II Introduction to Psychology Survey of American History II	Ivy Tech	GPA (6 sems) of 6.8, or PSAT Read & Writ = 46 each, or SAT Read & Writ = 460 each, or ACT Read = 18 & ACT Writ = 17	Free

Students who do not meet any of these testing criteria will be given the opportunity to take the ACCUPLACER test to qualify for dual credit.

Trine tuition is the responsibility of the student. Tuition is \$20 per credit hour. Students who are on free/reduced lunch are able to take one course at no tuition charge.

All dual credit courses are on the Core Transfer Library, a group of courses that should transfer from one college to another. However, the receiving college makes the final decision.

On-campus courses are also available to students through the Trine University Dual Enrollment program. Students who meet Trine University admissions requirements attend courses on the Trine campus. These students **MUST** be approved by a guidance counselor and principal at AHS before registering for the class at Trine.
