

Many of you registered for SAT and/or ACT tests this spring or summer but had those tests cancelled due to COVID 19 concerns. The testing agencies for these tests have announced some testing changes to the late summer and fall testing programs:

- The SAT has added a September 26th date (reg deadline is August 26th).
- Other summer/fall SAT dates are:
  - August 29th (reg deadline is July 31st)
  - October 3rd (reg deadline is Sept 4th) **AHS is a testing site for this date**
  - November 7th (reg deadline is Oct 7th)
- Some ACT testing sites may offer online testing beginning this fall
- ACT summer/fall testing dates are:
  - July 18th (reg deadline is June 19th)
  - September 12th (reg deadline is Aug 14th) **AHS is a testing site for this date**
  - October 24th (reg deadline is Sept 18th)

SAT registration for the late summer/fall dates start later this week. The ACT registration for dates beginning in September will start soon. Due to the coronavirus, the biggest change is that test centers may not be able to test as many students at a site as in the past due to social distancing. This is true at Angola High School. Best advice says to register early to get a seat. Registration websites:

**SAT** [sat.org/register](https://sat.org/register)

**ACT** [actstudent.org](https://actstudent.org)
